*On Time. The First Time*

Dear Partner

We would like to thank you for affording us the opportunity to present RT Clearing and Forwarding to you. Please find a brief summary on our company and the services we offer.

RT Clearing and Forwarding was established in 1999 specializing in Express Courier; Airfreight Forwarding, Shipping Agent; Warehousing and Consolidation, Project Cargo Handling and Custom's Brokerage.

An efficient and quality standard of service is shared amongst our highly motivated and skilled staff who endeavor to ensure that we live by the "***On Time, the First Time***" commitment to our customers.

RT Clearing and Forwarding is strategically located and associated with a strong network of Agents that provide a seamless solution to international and domestic requirements within the logistics supply chain. Our increased focus in technology, system enhancements and E-Commerce ensures the deployment of the latest technology and staff to provide a one stop solution, facilitating the success of our Global Partners.

Customs Brokerage is critical to international trade which can be impeded by government policies and restrictions. RT Clearing and Forwarding strives on success in the knowledge based sectors of, Custom's Clearances; Aircraft Industry; Medical and Pharmaceuticals; repair and return; IT Telecommunications; time sensitive and high value shipments.

RT Clearing and Forwarding is differentiated by the below factors but not limited to:

- > Competitive tariff structure.
- > Global Service – consistent worldwide door to door overnight service.
- > Service Commitment – effectively control, identify, resolve and optimize any processes in the supply chain to deliver positive results to the customer.
- > Equal Transit Time – a delivery that is equal to all competitors.
- > Future expansion plans with the delivery of E-Commerce product lines to cater for the B2C sector.

## **Services**

RT Clearing and Forwarding fulfils an important role in successfully facilitating specialized services of the global economy with the logistics supply chain.

## **Customs Brokerage**

The skilled; motivate staff that specialize in all areas of Customs clearances and regulatory matters ensures an effective relationship and clearance procedures with Customs & Excise allowing our customers to effectively progress in an increasingly global market.

## **Express Courier**

RT Clearing and Forwarding provides a guaranteed, fast, reliable, world-wide, integrated door-to-door movement of shipments which are tracked and controlled until final delivery. Custom's clearances ad well as payment of duties and taxes are handled for shipments that cross international borders.

## **Airfreight Forwarding**

We provide a solution for Airfreight Services on all types of cargo within our worldwide network. The versatile service offering caters for Consolidation; Transshipping; LCL Groupage and Door to Door Services.

## **Ocean Freight**

We offer a complete range of ocean freight services for all types of cargo, consolidated shipments or FCL containers. We have the most competitive rates and services with the association of our worldwide Agencies and Partners.
